

Course Rules and Availability

The overall success of Fircrest Golf Club is dependent on members realizing value and enjoying the camaraderie, aesthetics, and golfing experience. The game of golf is steeped not only in tradition, but in honor and integrity. As such, golf is played according to established rules as outlined in the Rules of Golf, published by the United States Golf Association. In addition, the Club has established rules which have been endorsed by the various committees of Fircrest Golf Club and adopted by your Board of Directors. Each member is encouraged to read and comply with these rules. While this document cannot cover every question or situation that may arise; your Professional Golf staff is available to assist you with any questions you may have. Please stop in the Pro shop or call (253)564.5792 or email our Head Professional, Greg Talley greg@fircrestgolf.com with questions.

COURTESY ON THE COURSE

Golf is most enjoyable when the courtesies of the game are observed by all, and when play progresses without delay. **The rules of golf etiquette, as shown in the Rules of Golf published by the United States Golf Association, shall be observed.** Each member is encouraged to study and strictly comply with the established rules and etiquette of the game. **PLEASE PLAY READY GOLF!**

PACE OF PLAY: PLAY AT A GOOD PACE AND KEEP UP

The Golf Committee has established pace of play guideline below that all players must follow.

- It is a group's responsibility to keep up with the group in front of them.
- If a group falls behind and is delaying the group(s) behind, the slower group must invite the group(s) behind to play through and/or speed up, irrespective of the number of players in the group(s).
- When a group has less than a clear hole ahead of them, but it is apparent that the group behind can play faster, they should, out of courtesy, invite the faster moving group(s) to play through.
- Players shall be ready to play as soon as it is their turn to play or when it is safe to do so when it is not their turn and the other player(s) are not ready.
- When playing on or near the putting green, they should leave their bags or carts in such a position as will enable quick movement off the green and towards the next tee.
- When the play of a hole has been completed by a player, they shall immediately leave the putting green and proceed to the next tee box. Let the last player(s) replace the flagstick.

FAST PLAY TIPS

- Be ready to play as soon as you can, even if you are not furthest from the hole. You may play first if you are ready to do so and the person furthest away is not. Only play first if it is safe to do so.
- Record scores on the tee box or at a safe area away from the green. Do not score on the green.
- The person putting should finish putting once started unless it interferes with other players "lines". Marking and waiting takes extra time.

- If you are first to “putt out” go to the next tee box and tee off if it is safe to do so. Do so even if you are not the lowest score of the hole prior. The last person(s) to putt shall replace the flag.
- Talk and tell stories as you are walking or driving in between shots. Do not tell stories or jokes on the greens or tee boxes.
- Players may move ahead of the furthest player by traveling safely to the sides. Players may do this and still be courteous to the player whose turn it is.

Pace of Play may vary from day to day depending upon the number of players and their ability on the course. Play fast when you can and pace yourself when the course is full! A four (4) hour round is only a measurement of time and all players shall play at a good pace, Ready Golf.

DRESS CODE

- Appropriate golf attire is required at all times for members and their guests on the golf course including practice areas.
- The following attire is **not** acceptable: Jeans, t-shirts, athletic shorts, cut-offs, swimsuits, halter-tops, tank tops, tank top styles w/collars or bare midriff garments. Athletic attire such as sweat suits commonly used for exercise.
- Inappropriate footwear will not be allowed on the golf course.
- Men’s Shorts must be no shorter than mid-thigh.
- Women’s shorts, skirts and “skorts” must be no shorter than mid-thigh.
- Shirts for men must have a collar (polo type) or at least a 1” collar if of the mock style.
- It is the member’s responsibility to inform the guest of the dress code requirements prior to arrival.

The Pro Shop Staff has been directed to inform any member or guest when their attire is not appropriate.

COURSE RULES

- All players/Groups **must** register with the Golf Shop before playing golf.
- All groups, regardless of size, must keep up with the pace of play. Those not keeping pace will be asked to break up or “pick up” and fill the gap.
- All play will start on #1 unless otherwise directed by the Pro Shop.
- Groups asking to start on #10 and given permission by the Pro Shop will not have priority on #1 when crossing over.

Junior Golfers under 12 years old, must be accompanied by an adult, age 21 or older, while on the golf course or practice areas.

"LIMITED" RECIPROCAL CLUBS AND PROCEDURES

If you are traveling and would like to play a private club that is in the area you are visiting, you may contact them, introduce yourself, and ask if they allow "outside reciprocal" play. Many of the clubs may even set up the day and time for you and then we will follow up to confirm the arrangement. Remember to ask the play rate because many unaccompanied rates are very steep and may deter you. *In all cases, reciprocals are a privilege not a right, and we must be extra courteous for the opportunities to play. Please introduce yourself as a Fircrest Member at the start of a phone call and/or upon arrival and always visit the ProShop after play to thank them.*
